Hey,

I said I would not write this week, but I received these first two pages of photos from my home town and wanted to share them. They break my heart, but they also make me very THANKFUL.

God Bless you and your's this holiday season.

The first two are of the East End Baptist Church which was in session when the storm hit. Unbelievably, no one was hurt.

The National Guard patrolled the area on four wheelers.

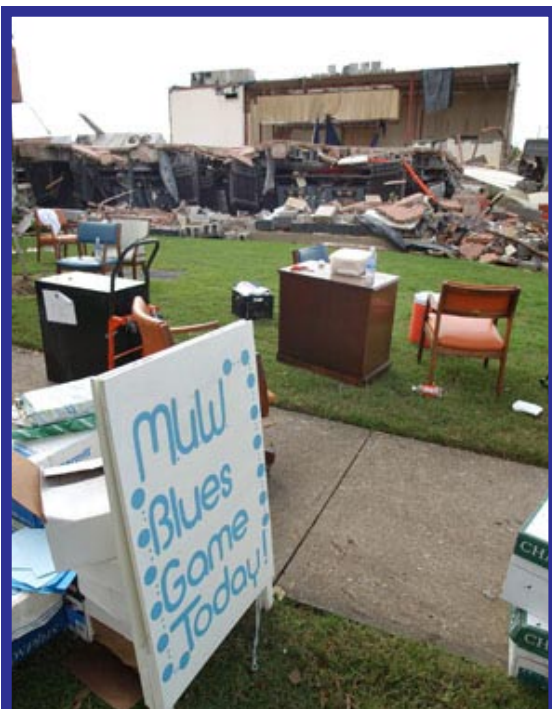

The New Art Department at Mississippi University for Women...gone!

Damage to dormitories

Our new multi-million dollar gymnasium...gone!

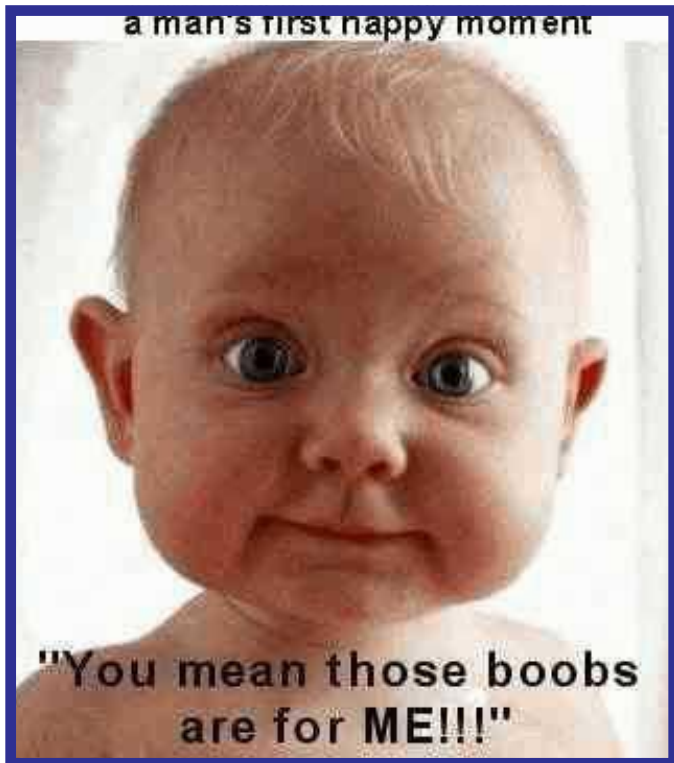

**Please keep them all in your thoughts this Thanksgiving.**

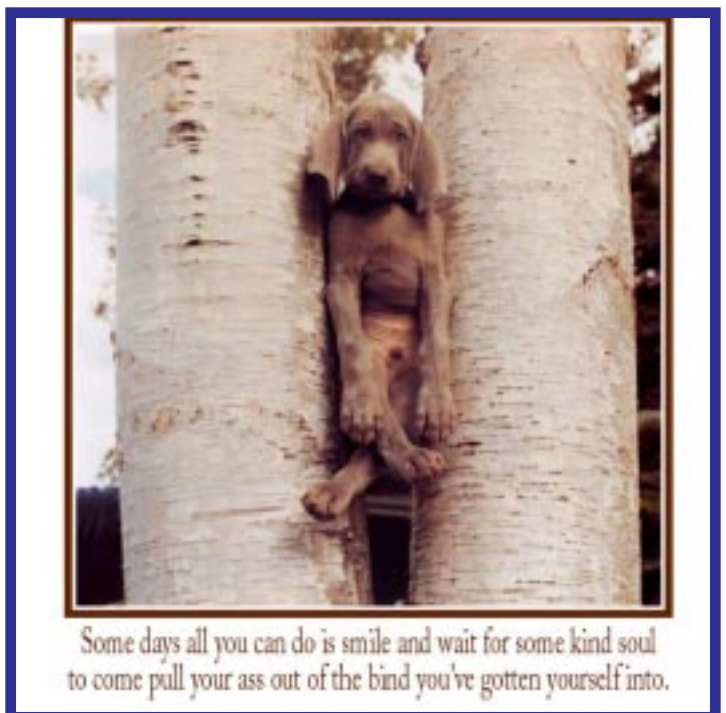

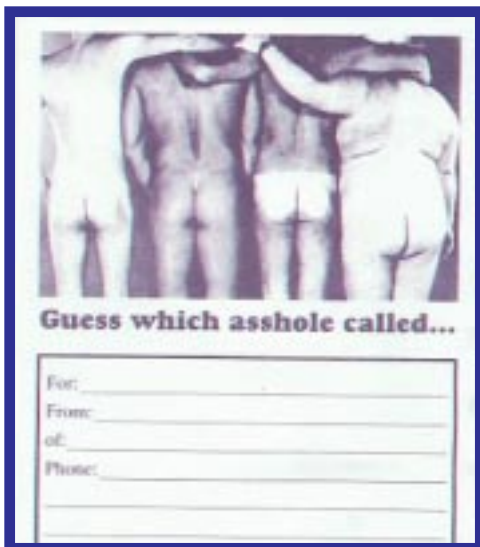

# CREATIVE THANKSGIVING TURKEY

1. Cut out aluminum foil in desired shapes.
2. Arrange the turkey in the roasting pan, position the foil carefully (see below).
3. Roast according to your own recipe and serve.
4. Watch your guests' faces.

Of course, everyone has his own idea of how to cook a turkey; but I guess it's a California turkey.

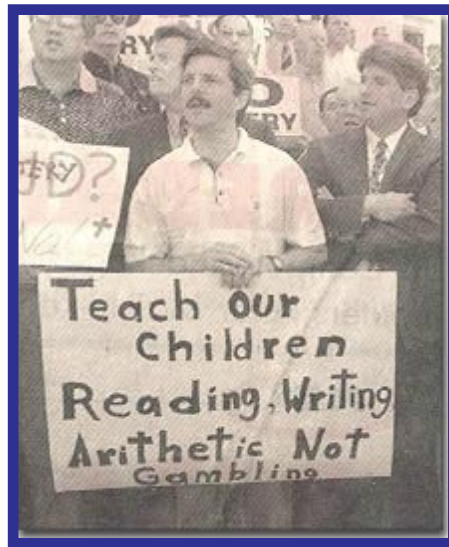

What are ya lookin' at?

## Things you just don't see!

Have a wonderful  
Thanksgiving.
